

Know Your School Night is September 12.

This is an evening for parents to receive information about grade level expectations.

Teachers will give two 45 minute presentations which will include a tour.

We offer two separate times for families who have students in multiple grades. Here

are the times: 5:30-6:15 or 6:30-7:15

We ask that all children stay with their parents during the evening. The evening will concluded at 7:30. We hope to see you there.
