

Nelson Place Elementary

Know Your School Night is an informational session for parents to meet their child's teacher and understand the grade level expectations. This year there will be two informational sessions for parents to attend. We ask parents to be in their child's classroom at the start of the

presentation.

- The first session will begin promptly at **5:30-6:15**.
- The second session will begin at **6:30-7:15**.

This is a night for parents to learn about their child's classroom. This is not a parent teacher conference. If you have concerns about your child, please set up a separate time to meet with the teacher. We also ask parents, if you bring your child or children that they must stay with you at all times during the presentations. Our music, physical education, art teacher and enrichment teacher are also available to meet with parents.

We hope to see many of you October 3, 2018
